6. POST PRODUCTION
Our in house team will take all footage from production and begin to produce the project to its final standard.
At this point you will see a final preview of the film.

5. PRODUCTION
Our onsite film crew and editor will be with you and your team filming and working with you on your project.

4. PRE-PRODUCTION
We'll agree a full schedule, finalise the script, scope out locations and generally discuss the style and how your final product will look.
